

Getting your jobs online on The Network

Did you know you can post a job on several of The Network international websites at once?

Benefits

- Save Time
- Jobs Online within 72 hrs
- Monthly reporting

① **The Network Recruiter Space**

Do you want to post between 50 and 300 jobs in over 70 countries ? Then we have the perfect solution for you.

Fully secured, combined with the expertise of The Network partners, The Network recruiter space will strongly increase the efficiency of your national and international recruitment processes.

Post a job to all of The Network in 5 minutes

HOW?

You access the Network Recruiter Space with a login and Password you'll receive from us through the Network web site.

You upload your job once and select the countries where you want that job to appear online.

- Your job will be live within 72 Hours,
- You can personalise your job,
- You have complete control of the advertising, determine how many you use and monitor your job posting history.

② **The Network Multi posting Solution**

Do you post more than 300 jobs a year? Then we advise the Multi Posting Platform.

HOW?

The Multi Posting platform has the capacity to receive your job advertisements in your preferred format and will then dispatch them to the partner's sites.

All actions are recorded in an account history with a central credit counting system that both you and your Network account manager can access to keep you informed on the usage of your contract.
